A Moderated Forum About The 2009 UUA Presidential Elections

Next year at General Assembly we UUs are electing a new president for our association.

After the first official candidate forum at GA in Ft Lauderdale I decided we need **"neutral online territory" where the platforms of our two candidates can be discussed publicly in a civil manner**.

The transcript of that event with its mix of scripted remarks and unscripted answers to specific questions seems like a decent starting point. Other documents will follow as they become available. Since this will be neutral territory perhaps even the candidates themselves will chime in with clarifications or commentary.

But most importantly, we hope for input from you!

Please visit this new **moderated forum - and post your opinions!**
